We looked at all the cameras on the market and choose what we thought would be the best camera that is only \$250. The deal for the \$250 comes through a great free video editing software called Fuse, which is part of the free version of Adobe Premier Pro. It's actually a pretty nice camera and video quality isn't too bad for \$250 - the results aren't that good though. It's still a good deal for around \$250 and if you're starting out and know little to nothing about photography, this would be a great starter camera.
